CORPORATE OVERVIEW

MediaForce is a woman-owned small business and an award-winning social marketing firm founded in 2004 to provide innovative advertising, marketing and multimedia production solutions for public service media campaigns. Based in Annapolis, MD, with an office in Fairfax, VA, the company specializes exclusively in the dissemination of integrated multimedia social marketing campaigns for government agencies and nonprofit organizations. MediaForce's total communication approach blends a strategic mix of communications channels that include traditional media, digital, social networks, grassroots marketing, and out-of-home networks to ensure target audiences are successfully reached, engaged and measured. Our team includes professionals with a range of award-winning marketing, distribution, program management, production, writing and graphic design expertise with a proven track record distributing thought-provoking campaigns that engage and interact with target audiences and lead and influence them to action.

The roster of multimedia capabilities that we have employed on behalf of clients include:

- ❖ Video and audio Public Service Announcement (PSA) distribution
- ❖ Media production in English and Spanish
- ❖ Graphic design/print production
- ❖ Media buys at a PSA rate:
 - ❖ In-store broadcasting
 - ❖ Physician and hospital waiting rooms
 - ❖ Digital media
 - ❖ Transit/Out-of-Home
- ❖ Website development, hosting and maintenance
- ❖ Web analytics
- ❖ Radio media tours
- ❖ Social media
- ❖ Grassroots marketing, pitching, tracking and reporting
- ❖ Focus groups

Ensuring quality needs to be a significant part of any business strategy. In a competitive business environment, quality can be a key differentiator that results in increased market share. We maintain rigorous quality control standards because we understand that a stumble in any marketing, advertising or communications campaign could be perceived by the audience to reflect on the client's reputation or overall standards of quality in all other areas of a client's activities. MediaForce adheres to the philosophy of Total Quality Management (TQM).

DESCRIPTION OF AWARDED SINS

512110 VIDEO/FILM PRODUCTION

Videotape and film production services will be provided to inform the public and government agencies about the latest products, services, and/or issues, in various outputs such as industry standard formats, CD-ROM, DVD and video streaming development. Filming in studios, on location, live shows, or events may also be required. Examples of services include, but are not limited to:

- ❖ Writing
- ❖ Directing
- ❖ Shooting
- ❖ Distribution
- ❖ Arranging for talent
- ❖ Narration
- ❖ Music and sound effects
- ❖ Editing

541810 ADVERTISING SERVICES

Services provided under this SIN will promote public awareness of an agency's mission and initiatives, enable public understanding of complex technical and social issues, disseminate information to industry and consumer advocacy groups and engage in recruitment campaigns. Services include, but are not limited, to the following components:

- ❖ Advertising objective determination
- ❖ Message decision/creation media selection
- ❖ Outdoor marketing and media services
- ❖ Broadcast media (radio, TV and Public Service Announcements)
- ❖ Media planning and placement services
- ❖ Advertising evaluation
- ❖ Related activities to advertising services

541820 PUBLIC RELATIONS SERVICES

Services include, but are not limited to: providing customized media and public relation services such as the development of media messages and strategies; providing recommendations of media sources for placement of campaigns; preparing media materials such as background materials, press releases, speeches and presentations and press kits. Other related services may fall under the following categories:

- ❖ Executing media programs
- ❖ Conducting press conferences
- ❖ Media alerts
- ❖ Related activities to public relations services

541511 WEB-BASED MARKETING SERVICES

Develop strategies for an agency to make the maximum use of their Internet capabilities. Typical tasks may involve the consultation, development and implementation of the following web-based tasks:

- ❖ Website design and maintenance services
- ❖ Search engine development
- ❖ E-mail marketing
- ❖ Interactive (digital) marketing
- ❖ Web-based training
- ❖ Video conferencing via the web

- ❖ Section 508 compliance, including captioning services
- ❖ Online media management
- ❖ Related activities to web-based marketing services
- ❖ Coordination and management of online search and display networks
- ❖ Web analytics tracking and reporting services

Media will also be provided in a format that is compatible with the ordering agency's software requirements. Continual website updates and maintenance may also be required.

541910 MARKET RESEARCH AND ANALYSIS

Services include, but are not limited to:

- ❖ Customizing strategic marketing plans
- ❖ Branding initiatives
- ❖ Creating public awareness of products, services, and issues
- ❖ Targeting market identification and analysis
- ❖ Establishing measurable marketing objectives; determining market trends and conditions; identifying and implementing appropriate strategies
- ❖ Conducting focus groups, telemarketing, individual interviews, preparing/distributing surveys, and compiling/analyzing results

541613 MARKETING CONSULTING SERVICES

This SIN will be used to offer a complete solution that integrates various services found under the other SINs. Services required under this SIN may include the creation of comprehensive solutions using strategically targeted marketing plans that include full-service execution of media planning and creative multimedia campaigns. These comprehensive solutions include services available separately under: 541810 Advertising, 541820 Public Relations, 541511 Web-Based Marketing, 541910 Market Research and Analysis, and 512110 Video/Film Production.

NOTE: SIN 541613 may not be used to fulfill individual requirements that are covered separately by other SINs in this schedule. SIN 541613 may only be used to fulfill comprehensive agency requirements that span multiple service offerings from the schedule.

541810ODC OTHER DIRECT COSTS (ODCs)

ODCs are expenses other than labor hours. All ODCs proposed must be directly related to a service being offered under this Schedule and can only be purchased in conjunction with the Schedule service. Possible ODCs may include items such as audio/visual equipment, facility rental, commercial production, media costs, booth space rental, etc.

LABOR CATEGORY DESCRIPTIONS

CHIEF STRATEGY OFFICER

Provides vision and oversight for multiple client engagements. Responsible for overall performance of project teams. Identifies and develops integrated marketing campaign strategies involving all aspects of the project. Defines market research needs and requirements. Works with the customer to identify image branding requirements, target markets, media outlets and technology-driven marketing and public information resources. PLEASE NOTE:

Where indicated within the specific labor category descriptions, relevant work experience is an acceptable substitute for education requirements listed in the job descriptions and job postings for roles within MediaForce. In certain instances, specific licenses or certifications are a requirement and are stated in the job description or job posting. Below is an example:

- ❖ BA or BS college degree preferred. Related work experience may be substituted for educational requirements.

The Service Contract Labor Standards: The Service Contract Labor Standards, formerly the Service Contract Act (SCA) is applicable to this contract as it applies to the entire Multiple Award Schedule and all services provided. While no specific labor categories have been identified as being subject to SCLS due to exemptions for professional employees (FAR 22.1101, 22.1102 and 29CFR 5413.300), this contract still maintains the provisions and protections for SCLS eligible labor categories.

If and/or when the Contractor adds SCLS labor categories / employees to the contract through the modification process, the Contractor must inform the Contracting Officer and establish a SCLS matrix identifying the GSA labor category titles, the occupational code, SCLS labor category titles and applicable wage determination (WD) number. Failure to do so may result in cancellation of the contract per the current Multiple Award Schedule Solicitation.
